

(C) Remarks

35 USC § 112

Agent submits that "surface" is in the preamble of claim 5, "for mounting on a surface".

35 USC § 103

Agent submits claims 1-4 and 15-18 have been cancelled. Claims 9, 11, 12-14 have been amended and agent has added new claims 21-27.

Examiner states that claims 1-4, 9-11 and 12-13 are rejected in view of Ott and Melvin, claim 14 is rejected over Ott, Melvin and Andrews, and claims 15-18 are rejected in view of Ott, Melvin and Ay.

Ay submits that claims 1-4 and 15-18 have been cancelled from the application and therefore the Examiner's objections are moot. Agent has amended the dependencies for claims 9, 11, 12, 13 and 14 to depend from allowable claim 5 and therefore the Examiner's objections have been overcome.

New claims 21-27 depend from allowable claim 19 and are in condition for immediate allowance.

Conclusions

Agent for Applicant respectfully states that the application is now in condition for immediate allowance and respectfully solicits same.

Yours faithfully,

Agent for Applicant
